Dassault Falcon Jet's service centers are part of the service center network established for Falcon operators around the world. Company-owned service centers are located in Reno, Nevada; St. Louis, Missouri; Stuart, Florida; São Paulo - Catarina, Brazil; and Little Rock, Arkansas - also the site of our Falcon completions center.

A-PRO, in Deerfield Beach, Florida, and Midway Aircraft Instrument Corp, in Monroe, North Carolina, are Falcon's authorized component repair agents.

Dassault Aviation strategically positions company-owned satellite service stations around the world. These locations offer mobilized GoTeam support when customers are AOG, and can also provide line services on-site. Technicians, tooling, and a cache of spares are at the ready whenever and wherever customer needs arise.

Dassault Falcon Jet São Paulo - Catarina, known locally as "Falcon do Brasil", is a 32,300 sq.ft. facility at the São Paulo Catarina International Executive Airport near São Paulo, Brazil. It has the parts, tooling, and certifications required to perform calendar inspections, flight hour inspections, and Pre-Purchase evaluations on the Falcon 50, 2000, and 900 Series, as well as the Falcon 7X, 8X and 6X.

Any time a Falcon Operator is AOG, a GoTeam can be dispatched through the Falcon Command Center for the speediest response and solution:

(1) 201-541-4747
or
(33) 1 4711 3737

- ★ = Service Center
