

Features & Benefits

- Dassault Falcon Jet on-site interim inspections, removals, reinstallations and operational checks during overhaul.
- Reduce downtime by utilizing rental or exchange gear during repairs and overhauls.
- Competitive pricing and OEM-approved repairs at every DFJ service center.
- DFJ service centers use the most current landing gear tooling for the precision installation of the landing gear, minimizing the risk of installation and/or removal.

Landing Gear Capabilities

Dassault Falcon Jet is uniquely positioned to offer Falcon customers fast, friendly, efficient and professional landing gear services.

Dassault Falcon Jet works with A-PRO (Aero Precision Repair and Overhaul), who've been specializing in Falcon landing gear maintenance for over three decades. A-PRO is a joint venture subsidiary of Dassault Falcon Jet Corp. and Safran Landing Systems, internationally renowned Original Equipment Manufacturers (OEMs) of aircraft and landing gear respectively.

Contact any one of our service centers whenever you have any Falcon Landing Gear service needs.
