

Automatic Descent Mode (ADM) For EASy II

Features & Benefits

- Improved aircraft operational safety
- Fully automatic system
- Reduces flight crew workload
- In the case of rapid depressurization, the time of useful consciousness at 40,000 ft. is 5 to 10 seconds

Schedule

Estimated Lead Time:
30 days

Estimated Downtime/Schedule:
1 day

Installation Facilities

- Little Rock, AR
- Melbourne, FL
- Reno, NV
- São Paulo/Catarina, BRAZIL
- St. Louis, MO

Customize Your Flight Deck With Operational Enhancements - EASy II Options

Once EASy II Baseline is implemented, the Automatic Descent Mode (ADM) capability is one of many EASy II options to enhance your operational capabilities.

In case of a depressurization at high altitudes, the Autopilot and Auto throttle will guide the aircraft to safe altitude at maximum velocity. ADM is activated when Autopilot is engaged, the aircraft is above 30,000 ft., and the cabin altitude is 9,700 ft. or greater.

When ADM is activated:

- The aircraft turns 90° left
- Auto Throttle will auto-engage if required and reduce thrust to IDLE
- Descend at a speed of 10 kts. less than Vmo/Mmo
- 15,000 ft. is placed in altitude preselect
- "ADM" is annunciated in the center of the FMA panel
- Upon reaching 15,000 ft., the aircraft maintains 250 kts.
- ADM remains active until autopilot is disengaged

Aircraft

- Falcon 7X
- Falcon 900EX EASy
- Falcon 900DX
- Falcon 900LX
- Falcon 2000EX EASy
- Falcon 2000DX
- Falcon 2000LX

Falcon Family

When you own or operate a Falcon, you become part of the Falcon Family. Throughout the life of your Falcon, our dedicated team of professionals will bring you the unrivaled skill, experience and passion to guarantee your satisfaction.

Dassault Falcon Jet Service Center Locations

- Little Rock, AR
- Melbourne, FL
- Reno, NV
- St. Louis, MO
- São Paulo Catarina, BRAZIL
- MOBILE REPAIR UNITS (GoTeam only)
 - Denver, CO area
 - Stuart, FL area
 - Teterboro, NJ area
 - Van Nuys, CA area

Falcon Family Benefits

- OEM trained technicians
- OEM approved tooling
- OEM supported solutions
- OEM accepted design standards
- OEM factory logbook sign-off
- 5 Convenient locations and additional MRU areas
- Priority service from Dassault Service Engineering
- No sales tax on labor, materials, or vendor services
- FalconAdvantage program
- No mark-up on Dassault parts
- No mark-up on Dassault service engineering
- Firm fixed pricing on discrepancies
