### Enhanced Situational Awareness on the Ground and in Flight

- New 2D and 3D Airport Moving Map
- ADS-B In with airborne and surface traffic
- SiriusXM® weather

### Improved Operational Safety

- Improved Take-Off and Landing Data performance computations
- Runway Overrun Awareness and Alerting System

## FLY SMARTER WITH EASy IV

Dassault Aviation has introduced the fourth generation of the award-winning EASy flight deck, with more vivid graphics on existing display units, more processing power, new capabilities and additional safety features.

A Honeywell Primus Epic-based system, EASy IV is standard on the Falcon 6X, and on all new-build Falcon 8X aircraft. It will also be available as an upgrade on earlier Falcon 7X and 8X aircraft.

## SCHEDULE

Estimated Lead Time: 90 days

Estimated Downtime/Schedule:

- Contact your DFJ service center [Regional Sales Manager](#) for downtime and scheduling.

## EASy IV CAPABILITY

The fourth generation of the acclaimed EASy flight deck adds even more capability:

- Streamlined aircraft operations
- Enhanced situational awareness
- Improved operational safety

This upgrade in capability also enhances aircraft value retention.

## Falcon Family

When you own or operate a Falcon, you become part of the Falcon Family. Throughout the life of your Falcon, our dedicated team of professionals will bring you the unrivaled skill, experience and passion to guarantee your satisfaction.

## FALCON FAMILY BENEFITS

- OEM trained technicians
- OEM approved tooling
- OEM supported solutions
- OEM accepted design standards
- OEM factory logbook sign-off
- 5 Convenient service locations and additional MRU areas
- Priority service from Dassault Service Engineering
- No sales tax on labor, materials, or vendor services
- FalconAdvantage program
- No mark-up on Dassault parts
- No mark-up on Dassault service engineering
- Firm fixed pricing on discrepancies
