MAKE THE MOST OF OUT OF YOUR PRO LINE FLIGHT DECK WITH THE PRO LINE 21™

With the Pro Line IV to 21 upgrade, Collins Aerospace proposes new functionalities and improved capabilities based on customer and marketing feedback while meeting new regulations and operational changes.

The key feature of the Pro Line 21 upgrade is the technology jump from CRT to LCD displays, ensuring improved reliability, support and potential growth.

The new functionalities provided by the Pro Line 21 upgrade include electronic charts and maps, XM weather overlay capabilities and video display capabilities.

AIRCRAFT

Falcon 50EX

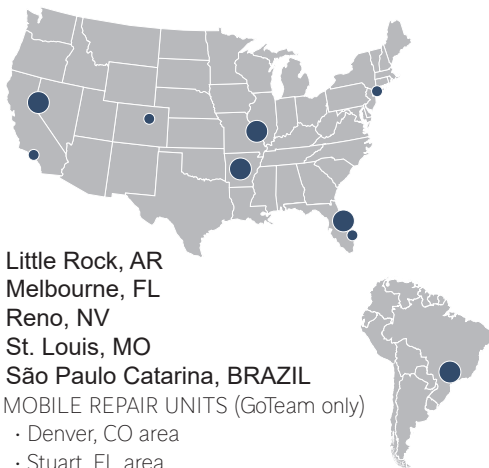

Falcon 2000

Falcon 2000EX

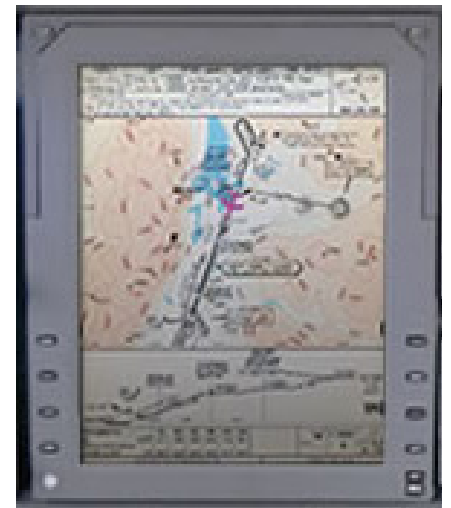

The Pro Line 21 upgrade includes new LCD displays and new features and capabilities.
